HE IS RE-ELECTED CHAIRMAN OF THE IRISH PARTY.

No Accepts-What Nationalist Members Say of the Situation-What Mr.

[By Anglo-American cable to the Dispatch.] LONDON, ENG., November 25, -A meeting of the Irish Home Rule members of Parliament was held to-day before the opening of the session of the House of Commons, Mr. Parnell was present. room. A motion was made that Mr. I may be warranted in asking you so far Irish parliamentary party. It was carried unanimously. It is announced that Mr. Parnell will retain the leadership at the express desire of his followers. the express desire of his followers. A HINT FROM MR. GLADSTONE.

DURLIN, IRELAND, November 25,-The Freeman's Journal to-day says the report that Parnell is to retire from the eadership of the Irish party is absolutely without foundation. The Dublin Express states that Mr. Gladstone has hinted to Parnell that it will be better that the content of the colleagues generated the colleagues generate for the Irish cause if he should not at-tend the coming session of Parliament. Parnell's friends, however, say they will

mons. Every Nationalist member in town was present and the room was crowded. Power, the chief Nationalist whip, presided, with McCarthy on his right. Parnell was cheered as he entersed the committee room and took his seat on the left of the Chairman. There was a general impression beforehand that Parnell would be asked to preside as usual, but when the members had assembled McCarthy's proposal that Power much as I should have liked had it lain be made chairman was accepted. The in my power to alleviate the personal nasiting was private, but outsiders in the corridor heard constant cheering as "As respects the manner of conveycorridor heard constant cheering as "As respects the manner of convey-l'ower explained the feeling of the Irish ing what my public duty has made it party toward its leader.

PARNELL ACCEPTS THE RE-ELECTION. Parnell made an address at the meeting, in which he thanked his followers for his re-election. He said it was for Irish members to decide whether he ould lead them. If their decision had services in their common cause in- sppeared. luced him to resume a position, which, inder his altered circumstances, exposed im, and them through him to the atacks of their opponents,

MR. GLADSTONE'S POSITION. London, November 25,—The Press Association states that if Mr. Parnell

told. The telegrams dispatched from the Parliament building on the an-nouncement in the House of Parnell's deeision exceeded the average sent on budget night. The Conservative and communicating with their country aspirations of the Irish people.

GLADSTONE AND PARNELL, that head this article. But the conthe Irish because we will not condescend this great and terrible crisis. We are convinced that Gladstone's letter will excite everywhere, as it well deserves to do, the most enthusiastic loyalty, mingled with a keen and bitter regret." persuaded out of their convictions. They have worked hard and done much for him and were prepared to do the same thing for Ireland; but Parnell is not dictator this side of the channel, whatever he may be on the other side. He has treated the illustrious Englishmen, for whom the whole country, they should delay home rule fifteen irrespective of party, feels the profound-

party must be saved."

THREATENS TO DISSOLVE IT. London, November 26.—The Post says that Parnell's action in retaining the leadership of the Irish party threatens to dissolve the Home Rule alliance even more suddenly than it was formed.

THE PRESS ON GLADSTONE. LONDON, November 26,—The Times says: Some curious and discreditable transactions have been recorded in the history of English politics, but we doubt if any parallel can be found for yester-day's political by-play, or the position in which it leaves the parties. Gladatone now occupies the most pitiable and hu-milisting position conceivable for the trusted chief of an historic party. Nohistory of English politics, but we doubt thing can conceal the fact that it rests entirely with the chief to close the career of the quondam Liberal leader with

cond's thought Parnell decided to temporize the sting will not be removed from the minds of the English Home fulers and a grievous shock will be given to what remains of Parnell's prestige. The Standard thinks Gladstone acquitted himself fairly-well, considering the depressing circumstances of the per-

functory duty of criticising the address.

THE GREAT LIBERAL LEADER.

He Insists That Parnell's Continuance as Chairman Will be Dissatrous.

(By Angle-American cable to the Dispatch.) London, Eso., November 25.—At the request of Mr. Gladstone John Morley has communicated to Parnell the following letter written Monday :

" Dear Mr. Morley, - Having arrived at a certain conclusion with regard to the continuance of Parnell's leadership of the Irish party I have seen McCartby on my arrival in town and have inquired from him whether I am likely to receive from Mr. Parnell himself any communi-cation on the subject. McCarthy re-plied that he was unable to give me any information. I mentioned to him that in 1832, after the terrible murders in Pho-nix Park, Mr. Parnell, although totally removed from my idea of the responsibility, bad spontaneously

PARNELL STILL KING. written me and offered to take the Chiltern Hundreds, an offer much to his honor, but which I thought it my duty to decline. While clinging to the hope of a communication from Parnell, to whomseever addressed, I thought it necessary, viewing the arrangements for the commencement of the session tomorrow, to acquaint McCarthy with the conclusion at which, after using all the

means of observation and reflection in my power, I had myself arrived. DISASTROUS TO IRELAND. his country, his continuance at present in the leadership would be productive of consequences disastrons in the highest and effective friends to the Irish cause in a position of greatembarrassment, but ship of the Liberal party, based, as it has says: been, mainly upon the prosecution of the Irish cause, almost a nullity.

THE GREAT LIBERAL'S CONCLUSION. if he found that Parnell contemplated spontaneous action; but I also \$142,594,696.57, which exceeded my esbegged that he would make known to timate in the sum of \$7,594,696.57. not allow him to absent himself.

Whatever happens to the Irish leader, the Liberal party must be saved."

tionalist party. The publication of the letter caused intense excitement in the lobbies of the House of Commons. The Parnellists gathered in groups and informally discussed the situation resulting from Gladstone's action. A final in formal meeting of the Nationalist mem-bers was called for 10 o'clock to-night.

Old Gold Coins Called In.

[By Anglo-American cable to the Dispatch.] London, November 25 .- The Official Gazette publishes the Government proclamation calling in by March 1st all gold coins issued prior to the accession of Queen Victoria to the throne. After ter the date mentioned such coins will

not be a legal tender.

Dispatches from Eberfield say that the Wupper river has risen and five persons been drowned. Two bridges have been carried away and other damage done. The neighboring town of Barmen is flooded. At Rostock, on the tasco. The Times continues in the same strain, making a most savage attack upon Mr. Gladstone.

The Standard says: "If for one se-

A Pond Dam Gives Way. Thy Angle-American cable to the Dispatch.] Carlesbar, November 25.—Yesterday's flood had its origin in the bursting of the enclosure of the Entempe pond. When the dam gave way the volume of water, ten feet deep, poured through Alte, and Neue Wiesse, Marienbader street, the market-place, and the Sprudagase. The gas- and water-works were completely ruined. The flood continued four hours, when the waters gradually subsided. The fiver Egar, into which the Tepi flows, is now a vast lake. Several corpses have been seen floating on the water, but it is believed there has been no loss of life in Carlsbad itself.

The Floods in Germany. Anglo-American cable to the Dispatch.) Berlin, November 25.—Dispatches from Kiel, Schleswig, and Lubeck report that all those places are flooded as well as extensive tracts of land on the

Baltic coast. The damage is enormous. MORE PLOOD DISASTERS. At Kabla ten houses were blown down and seventeen persons were drowned.
Similar disasters and floods are reported from Jena, Goschwitz, and elsewhere, and travel is interrupted over the railway between here and Munich.

Virginia used 2,888,738 pounds of to-bacco during the year, out of which were manufactured 65,679,118 cigars and 556,-

130,000 eigarettes. North Carolina used 2,429,262 pounds of tobacco in her cigar- and cigarettefactories, out of which were produced 3,260,925 cigars and 619,062,500 cigar-

New York produced more eigarettes than any State in the Union, using 24, 953, 188 pounds of tobacco, out of which were manufactured 1,078,988,618 cigars and 1,084,576,180 cigarettes. Under this head Virginia and North Carolina come next in volume of business,

SECOND DISTRICT. In the Second collection district of Virginia there were operated 61 tobaccofactories, which consumed during the year 31,296,755 pounds of leaf tobacco, 797,366 pounds of scrap tobacco, 2,174,547 pounds of licorice, 2,058,744 pounds of sugar, and 1,640,610 pounds of other

The 113 factories in the Sixth Virginia district consumed 19,981,191 pounds of leaf tobacco, 97,784 pounds of scrap to-bacco, 10,147 pounds of stems, 1,286,902 pounds of licorice, 624,757 pounds of sugar, and 883,910 pounds of other ma-

The 77 factories in the Fourth North Carolina district consumed 12,858,824 pounds of leaf tobacco, 287,514 pounds of scrap, 115,059 pounds of stems, 317,182 pounds of licorice, 287,049 pounds of sugar, and 288,810 pounds of other materials.

The 157 factories in the Fifth North Carolina district consumed 14,476,638

months of the current fiscal year of 851,766 pounds of sugar, and 95,118 1890-91:

MORE FACTORIES Virginia and North Carolina have more tobacco factories than any States in the Union, the number operated in North Carolina last year being 234 and 174 in Virginia. Kentucky has 90, Missouri Se; New York, 110, and Tenpesson 69.

Among other specific productions may be noted the following:
Virginia, 43,469,603 pounds plug to-bacco, 9,575 pounds fine-cut chewing, 1,385,195 pounds smoking tobacco, and 189,654 pounds of snuff, etc., or a total product of 45,054,028 pounds.

North Carolina, 17,392,506 pounds plug chewing, 19,362 pounds fine-cut chewing, 18,365 amoking, and 53,829 ping chewing, 19,362 pounds inne-out chewing; 5,198,955 smoking, and 53,829 pounds snuff, etc., or a total of 22,664,-662 pounds. On the 1st of January, 1890, North Carolina had on hand and unsold 8,313,219 pounds of tobacco and

During the year Virginia exported 10,168,487 pounds of tobacco and North Carolina exported only 191,242 pounds. Out of the total tobacco exports for the year of 17,006,960 pounds Virginia ex-ported, as will be seen, much more than half the entire quantity and still holds a big lead over all other States in this regard. Missouri is the second in exports, the figures being 5,635,386 pounds. PRODUCTION OF SPIRITS.

The quantity of grain used in the production of spirits during the fiscal year ended June 30, 1890, (25,202,901 bushels,) is an increase of 4,211,977 bushels over the amount used in the preten years.

The number of gallons of spirits pro-

of 19,730,664 gallons over the product ment gave th (87,887,456 gallons) of the year ended their hands.

June 30, 1889, and is 21,921,599 gallons

production of rum during the fiscal year (2,198,538 gallons) shows an increase of 247,434 gallons over the quantity used in the previous year (1,951,104 gallons), and is 160,408 gallons less than the average (2,359,021 gallons) for the last

ten years.

The quantity of rum distilled from

NEW YORK STOCK MARKET. New York, November 25.—The stock market to-day was less active than usual ceding fiscal year (20,990,924 bushels) of late and there was a reaction of material proportions all along the line. Many average (21,365,947 bushels) for the last evidently felt that the pace of improvement in values of late has been too rapid and were prepared to take the profits alduced from grain during the year and were prepared to take the profile at (107,618,120 gallons) shows an increase ready accrued, while the same sentiment gave the bears courage to again try

THE OPENING IBREGULAR

June 30, 1889, and is 21,921,599 gallons more than the average produced (85, 696,521 gallons) for the last ten years.

The yield of spirits from each bushel of grain is 4,27× gallons. The yield for the two preceding years was 4,24× for 1888 and 4,18× for 1889.

The quantity of molasses used for the production of rum during the fiscal year. track of late and the loan crowd devel-oped the fact that there had been a material reduction in the outstanding short interest, and the early demand being satisfied a pressure to sell soon started Private sales ag the market permanently in a downward direction.

The bears and traders hammered the list quite impartially, and everything on the active list soon showed the effects of the operations for a decline. The after-noon witnessed a general drop all around, and while Rock Island and some of the others showed stubborn resistance to the pressure, they succumbed after awhile with fair breaks of manufacturing and joined the downward movement in darks prices ruled strong. There was carnest and lost not only all the early nothing offered in good shipping to-day. improvement but something in addition.

The average of West Virginia at auction St. Paul, Union Pacific, and Atchison lead the list in activity, but Jersey Cen-was high considering the medium-grade tral and Missouri Pacific displayed the most weakness, while the low-priced specialties, which of late had been leaders ing fine wrapper buyers to rehandle. in the downward movement, were today very well held. THE CLOSE WEAK.

The decline received no check, and the final prices are in most cases the low est of the day, the market closing weak and active. Among the most important

TOO MANY DOCTORS.

They Are Too Numerous to Be Practically Instructed-Eoch Made the

Recipient of Another Honor. (By Auglo-American cable to the Dispatch.)
BERLIN, GRR., November 25.—One of
the hospitals in this city has already Warehouse, 13,800 pounds. Highest refused the applications of four hundred physicians who have come here to study the Koch method of treatment on the ground that it is impracticable to instruct successfully the large numbers of those who derive to study the method. Already two thousand foreign doctors have arrived here for the purpose of in-

forming themselves regarding the trees Professor Koch bas been elected an henorary member of the Society for the Preservation of the Public Health.

THE CURE NOT CERTAINLY LASTING. Dr. Koller, chief of the Charity Hospital here, while admitting that marvel-lous effects have been produced by the injection of Professor Koch's curative lymph, declares that as yet there has been no certain experience of the lasting nature of the cure. Dr. Koller says, however, that the lymph has proved indispensable in diagnosing a case in which there was doubt of the existence of tuberculosis.

Panis, November 25. - The tariff committee has raised the import duty on mutton, from 28 to 32 francs per 100 kilos, and has imposed duties of 20 francs per 100 kilos on pork and butchers' meats; 16 francs on smoked or salted Few seed tobaccos have been sold thus pork; 50 frames on pate de foie gras; and 27 frames on salt beef. The committee has also raised the duties on tin-ned meats, meat extracts, and bullions, from 8 to 15 and 20 francs, according to the quality and value. NEW YORK, November 25.—Cotton
